

The Chippewa Bay Poker Run
coined "Paddle for a Purpose" is
hosted by the Hammond NY
Chapter of the Foundation for
Community Betterment.

Our goal is to raise awareness and funds to enhance and directly support our special area of the 1000 Islands. Funds will support new community development projects, help organizations in need and directly impact individuals' lives who need it most.

"I alone cannot change the world, but I can cast a stone across the waters to create many ripples." - MOTHER TERESA

The Foundation for Community Betterment is a local and national network of generous individuals who believe a simple gesture that touches just one life can positively impact an entire community. As our logo symbolizes, it is our hope that our simple actions can create a "Ripple Effect" of kindness in our community, through the actions of the recipients we support.

Chippewa Bay 1000 Islands, NY

A Paddler's Paradise...

Paddle through paradise this summer! Chippewa Bay is home to many of the 1,864 islands that make up the breathtaking Thousand Islands! Little known to visitors because most boat tours do not pass this way, the group of islands were once more prominent because of the Chippewa Bay Yacht Club, which won and hosted Gold Cup Races here in the early 1900's. Home to Singer Castle on Dark Island, Cedar Island State Park, Crossover Island Lighthouse, Ironsides Island and more, we invite you to enter this fun, family event - offering a great way for you and your loved ones to have fun, make memories, give back and "Explore Our Shores!"

Paddle For A Purpose!

We share your love for adventure in the great outdoors, your spirit for giving back to the community, your desire to form and nurture great friendships and your passion for living the best life possible on the St. Lawrence River! That's why you're invited to experience the "Beauty of Betterment" in the Sanctuary of 1000 Islands! You, your friends and family can join others from near and far in "Paddler's Paradise" for a morning of fun—all for the purpose of creating a "Ripple Effect" called Community Betterment. Together we can positively impact, help, promote and improve our community through the fun sports of kayaking, canoeing and stand-up paddle boarding. All proceeds directly benefit community organizations, projects and individuals in need.
