

## *HAMMOND FARMERS' & ARTISANS' MARKET*

20 OLD OAK POINT RD,  
HAMMOND, NY 13646  
HAMFAAM@YAHOO.COM

Greetings!

We would like to invite you to join us as a 2023 vendor at the Hammond Farmers' and Artisans' Market (FAAM). Last summer, over 1,000 visitors enjoyed our fresh produce, baked goods, plants, greeting cards, meats, and crafts. Many items were sold out in the first hour or two every week. It was quite a success, and we hope you will consider joining us for our tenth season!

Our day and time avoid conflicts with other area farmers' markets, and encourage the greatest number of farmers and artisans to participate in this weekly event. The Hammond FAAM will be held every **Wednesday from 3:00-6:00 pm on the Main St. (Rt. 37) Pavilion from June 14 through September 13**. We have also added a "Bonus Day" on the Saturday of Columbus Day Weekend. This location serves both the St. Lawrence River and Black Lake areas, and is on a well-traveled highway. There is parking on the street and in the Fire Hall parking lot.

The seasonal fee for vendors is \$50.00. If you do not miss more than one Market Day per month (4 total) during the season, you will have \$25.00 returned to you in September. If you would like a registration form, please email us at: [hamfaam@yahoo.com](mailto:hamfaam@yahoo.com).

Our mailing address is: Hammond FAAM, 20 Old Oak Point Rd, Hammond, NY 13646. If you have questions, you may call Lori Thistle at 315-324-5032, Brooke Stark at 315-324-6076 or email us at [hamfaam@yahoo.com](mailto:hamfaam@yahoo.com). There is a tremendous amount of local support for this venture, and we really hope you will choose to participate!

Thank you in advance for your interest in this growing market – we are looking forward to showcasing your products to both the year-round and summer residents of Hammond and the surrounding area! We are especially hoping for more farmer participation, and there is a demand for fall produce as well: apples, pumpkins, winter squash, etc. We hope to hear from you soon!

LORI THISTLE

## FARMERS AND BAKERS:

Anyone selling food products will need to have a simple water test done prior to the opening of the Market. We are more than willing to help with this, as we have the appropriate form and there are places nearby that are certified. Cost is usually around \$35.00. This is simply to ensure that produce and food items are free from e.coli and coliform bacteria.

There are guidelines for bakers, but most home baking can be exempted from licensing. We would be happy to help you navigate the process, and help determine whether or not a license would be required for your product(s).

Let us help!!
