The Chippewa Bay Poker Run is made possible through the Foundation for Community Betterment.

Our goal is to raise awareness and funds to enhance and directly support our area of the 1000 Islands. Funds will support new community development projects, help organizations in need and directly impacting individuals' lives who need a little extra help during unfortunate times.

communitybetterment
a social network with a social conscience

The Foundation for Community Betterment's mission is to create an immediate, positive impact on the lives of individuals or organizations who lack the means to succeed. They strive to create a social network with a social conscious, so we work to create unique opportunities for our network to have fun while giving back to the community. They raise support for recipients in a variety of ways, including: hosting events, utilizing an "Immediate Need Fund" to provide grants when there isn't time to do an event, and by rallying teams of volunteers to share their time for a community outreach project.

Chippewa Bay, NY

A Paddler's Paradise…

This picture perfect place is a paddler's paradise! Chippewa Bay, NY is home to many of the 1,864 islands that make up the breathtaking Thousand Islands. Little known to visitors because most boat tours do not pass this way, the group of islands in Chippewa Bay was once more prominent because of the Chippewa Bay Yacht Club, which won and hosted Gold Cup Races here in the early 1900's. Home to Cedar Island, Crossover Island, Dark Island, Ironsides Island and beyond, we invite you to enter this fun, family event - offering a great way for you and your friends to get up close and ***"Explore Our Shores."***

Paddle for a Purpose!

Hosted by volunteers and the Foundation for Community Betterment, our goal is to directly promote and enhance the Hammond community. With your help, through the fun sports of kayaking, canoeing and stand-up paddling, we can raise important funds and increase awareness that will enhance the vitality of Hammond – a gem of the 1000 Islands! This year funds will be used to support the Hammond Backpack Program; send kids to summer camp and help construct a community outdoor pavilion in Hammond in memory of Pastor Cathy Stevenson.

Pre-Register by August 4th!
