## POKER HAND RANKINGS

Prizes will be distributed for the best 3 poker hands in both the Adults and Kids divisions. Traditional poker hand rankings, highest to lowest, will be used. If you are not familiar with poker, don't get worried; below is a chart that explains the rankings:

<b>Royal Flush</b>	Run of sequential cards from 10 to Ace, with all cards of the same suit.
<b>Straight Flush</b>	Run of sequential cards, all cards in the same suit, but not Ace high.
<b>Four of a Kind</b>	Four cards of the same rank (ex: four Aces, four Kings, etc.)
<b>Full House</b>	Three cards of the same rank plus a pair (ex: three Aces and a pair of Kings)
<b>Flush</b>	Five cards all of the same suit.
<b>Straight (Run)</b>	Five sequential cards, not of the same suit.
<b>Three of a Kind</b>	Three cards of the same rank (ex: three Aces, three Kings, etc.)
<b>Two Pair</b>	Two sets of pairs (ex: a pair of Aces and a pair of Kings)
<b>Pair</b>	Two cards of the same rank (ex: two Aces, two Kings, etc.)
<b>High Card</b>	If you have none of the above, then the highest value card in your hand plays.
